

COVENANT

COVENANT: We covenant together, by God's grace, to live lives consistent with the standards of the Bible; to support this faith community through attendance, prayer, service, and giving; and to encourage others to know and be like Jesus. Our vision is to contribute to the well-being of all, particularly those living in the city of Minneapolis. We will strive to meet the spiritual, physical, and emotional needs of its people. This includes faithfully communicating the good news of Jesus in fresh and relevant ways and showing that faith can and should transform the lives of individuals and the life of the community.

CITYCHURCH

WHAT DOES IT MEAN TO BE INVITING?

Receive the invitation Jesus offers each of us: Find peace, meaning and purpose, guidance, strength and hope in a relationship with Jesus.

Extend the invitation Jesus offers to others: Invite a friend to hear about Jesus. Learn to share God's story and your own story with others.

WHAT DOES IT MEAN TO BELONG?

Experience Christian community: Share the joys and difficulties of life; meet brokenness with grace, forgiveness and compassion.

Extend Christian love: Care deeply and love others the way God loves us, extending grace to all.

HOW CAN WE BECOME MORE LIKE JESUS?

Trust Jesus: Jesus is the wisest, most loving person who ever lived and offers the grace, peace, hope, freedom and healing we need to flourish and become the people God created us to be.

Spend time with God; do it with friends: Practice the spiritual habit of daily Bible reading and prayer. Spiritual growth happens best when we combine community and the Bible.

WHAT DOES IT MEAN TO SERVE OTHERS SACRIFICIALLY?

Do ordinary things with great love: Strive to meet the spiritual, physical, and emotional needs of those God leads us to serve.

Live generously: As God is generous with us, so too can we be generous in the way we live, giving our time, skills and money.
