February 28, 2021 (John Sommerville)
Mark 14:32-42

1. Describe an experience when you have been in crisis and close friends have supported or helped you.
2. Why did Jesus go to pray in Gethsemane? What is He asking of God?
3. Why do you think Jesus brought Peter, James, and John with him? To what extent is Jesus' desire met by their presence?
4. Jesus prayed, "If it is possible, take this cup from me; yet not my will, but thine." How does this prayer inform how we can pray?
5. Where in your life is God inviting you to pray, "Not my will; but thine"?
6. What friends could use you "keeping watch and praying" for them as they face a difficult part of their journey? How might you show tangible support for them in these weeks before Easter?
